Keller Caribbean Sports Ltd. (KCS), and since January of 1987, Belize River Lodge. The Lodge is operated by Mike Heusner and Marguerite Miles and their on-site management makes BRL one of the most personalized lodges in the Caribbean.

Guests stay in the comfortable hardwood Mahogany Lodge, which is located in a setting of tropical greenery and colorful flowers on the bank of the Belize Olde River. Fishing is from a 23' panga, the only skiff that can truly handle the waters of Belize. There are usually two anglers to a skiff, with an English speaking, experienced, professional, licensed guide. The FLATS, cayes, reef, saltwater mangrove channels, Belize River, Sibun River, Manatee River, Black Creek, several other creeks and lagoons in between are the areas fished from the Lodge. This is a very large area with a great variety of fishing conditions, fish species and scenery, with the closest Flat only about 20 minutes away.

Game fish species generally found in this area include PERMIT, BONEFISH, TARPON, SNOOK, Snappers, Jacks, Barracuda, Grouper, and others. Visual Grand Slams and visual Back Country Grand Slams occur every day. Landed Slams will depend upon your skill, the fish and luck. Many species of birds and wildlife such as manatees, howler monkeys, iguanas, turtles, and crocodiles may be seen while fishing from the Lodge. Comfortable skiffs (outfitted with guest leaning/casting post, chairs and a guide platform), modern outboard engines, and English speaking, professional licensed guides help make this a memorable fishing vacation. Sight fishing the Flats is our specialty, with variety our main attraction. BONEFISH, TARPON, PERMIT, and SNOOK are the main species caught by fly fishing or spin casting enthusiasts.

The Lodge is also a naturalists' paradise with an abundant variety of tropical birds; iguanas & lizards in the trees and crocodiles in the river. Along with great flats fishing, BRL is very well known for our Belizean hospitality and our delicious Belizean Creole cuisine.
